 12 purposes of IC 24-4.5-5-101 through IC 24-4.5-5-108:

13 (a) "disposable earnings" means that part of the earnings of an
 14 individual, including wages, commissions, income, rents, or

 22 withheld from an individual for child support in accordance with
 23 the laws of this state.

24 (2) Except as provided in subsection (8), the maximum part of the
 25 aggregate disposable earnings of an individual for any workweek which
 26 is subjected to garnishment to enforce the payment of one (1) or more
 27 judgments against ~~him~~ **the individual** may not exceed **the lesser of the**
 28 **following amounts:**

29 (a) **An amount equal to twenty-five percent (25%) of his the**
 30 **individual's disposable earnings for that week or, upon a**
 31 **showing of good cause by the individual why the amount**
 32 **should be reduced, an amount equal to:**

33 **(i) less than twenty-five percent (25%); and**

34 **(ii) at least ten percent (10%);**

35 **of the individual's disposable earnings for that week.**

36 (b) The amount by which ~~his the individual's~~ disposable earnings
 37 for that week exceed thirty (30) times the federal minimum hourly
 38 wage prescribed by 29 U.S.C. 206(a)(1) in effect at the time the
 39 earnings are payable.

40 ~~whichever is less.~~ In the case of earnings for a pay period other than a
 41 week, the earnings shall be computed upon a multiple of the federal
 42 minimum hourly wage equivalent to thirty (30) times the federal

1 minimum hourly wage as prescribed in this section.

2 (3) The maximum part of the aggregate disposable earnings of an
3 individual for any workweek which is subject to garnishment or
4 support withholding to enforce any order for the support of any person
5 shall not exceed:

6 (a) where such individual is supporting ~~his~~ **the individual's**
7 spouse or dependent child (other than a spouse or child with
8 respect to whose support such order is used), fifty percent (50%)
9 of such individual's disposable earnings for that week; and

10 (b) where such individual is not supporting such a spouse or
11 dependent child described in subdivision (a), sixty percent (60%)
12 of such individual's disposable earnings for that week;

13 except that, with respect to the disposable earnings of any individual

17 percent (65%), if and to the extent that such earnings are subject to
18 garnishment or support withholding to enforce a support order with
19 respect to a period which is prior to the twelve (12) week period which
20 ends with the beginning of such workweek.

21 (4) No court may make, execute, or enforce an order or process in
22 violation of this section.

23 (5) An employer who is required to make deductions from an
24 individual's disposable earnings pursuant to a garnishment order or
25 series of orders arising out of the same judgment debt (excluding a
26 judgment for payment of child support) may collect, as a fee to
27 compensate the employer for making these deductions, an amount
28 equal to the greater of twelve dollars (\$12) or three percent (3%) of the
29 total amount required to be deducted by the garnishment order or series
30 of orders arising out of the same judgment debt. If the employer
31 chooses to impose a fee, the fee shall be allocated as follows:

32 (a) One-half (1/2) of the fee shall be borne by the debtor, and that
33 amount may be deducted by the employer directly from the
34 employee's disposable earnings.

35 (b) One-half (1/2) of the fee shall be borne by the creditor, and
36 that amount may be retained by the employer from the amount
37 otherwise due the creditor.

38 The deductions made under this subsection for a collection fee do not
39 increase the amount of the judgment debt for which the fee is collected
40 for the purpose of calculating or collecting judgment interest. This fee
41 may be collected by an employer only once for each garnishment order
42 or series of orders arising out of the same judgment debt. The employer

1 may collect the entire fee from one (1) or more of the initial deductions
 2 from the employee's disposable earnings. Alternatively, the employer
 3 may collect the fee ratably over the number of pay periods during
 4 which deductions from the employee's disposable earnings are
 5 required.

6 (6) The deduction of the garnishment collection fee under
 7 subsection (5)(a) or subsection (7) is not an assignment of wages under
 8 IC 22-2-6.

9 (7) An employer who is required to make a deduction from an
 10 individual's disposable earnings in accordance with a judgment for
 11 payment of child support may collect a fee of two dollars (\$2) each
 12 time the employer is required to make the deduction. The fee may be
 13 deducted by the employer from the individual's disposable earnings
 14 each time the employer makes the deduction for support. If the
 15 employer elects to deduct such a fee, the amount to be deducted for the
 16 payment of support must be reduced accordingly if necessary to avoid
 17 exceeding the maximum amount permitted to be deducted under
 18 subsection (3).

19 (8) A support withholding order takes priority over a garnishment
 20 order irrespective of their dates of entry or activation. If a person is
 21 subject to a support withholding order and a garnishment order, the
 22 garnishment order shall be honored only to the extent that disposable
 23 earnings withheld under the support withholding order do not exceed
 24 the maximum amount subject to garnishment as computed under

COMMITTEE REPORT

Madam President: The Senate Committee on Judiciary, to which was referred House Bill No. 1347, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be AMENDED as follows:

Page 2, between lines 9 and 10, begin a new paragraph and insert: "SECTION 2. IC 24-4.5-5-105 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2014]: Sec. 105. (1) For the purposes of IC 24-4.5-5-101 through IC 24-4.5-5-108:

- (a) "disposable earnings" means that part of the earnings of an individual, including wages, commissions, income, rents, or profits remaining after the deduction from those earnings of amounts required by law to be withheld;
- (b) "garnishment" means any legal or equitable proceedings through which the earnings of an individual are required to be withheld by a garnishee, by the individual debtor, or by any other person for the payment of a judgment; and
- (c) "support withholding" means that part of the earnings that are withheld from an individual for child support in accordance with the laws of this state.

(2) Except as provided in subsection (8), the maximum part of the

EH 1347—LS 6961/DI 87

aggregate disposable earnings of an individual for any workweek which is subjected to garnishment to enforce the payment of one (1) or more judgments against ~~him~~ **the individual** may not exceed **the lesser of the following amounts:**

(a) **An amount equal to** twenty-five percent (25%) of ~~his~~ **the individual's** disposable earnings for that week or, **upon a showing of good cause by the individual why the amount should be reduced, an amount equal to:**

(i) **less than twenty-five percent (25%); and**

(ii) **at least ten percent (10%);**

of the individual's disposable earnings for that week.

(b) The amount by which ~~his~~ **the individual's** disposable earnings for that week exceed thirty (30) times the federal minimum hourly wage prescribed by 29 U.S.C. 206(a)(1) in effect at the time the earnings are payable.

~~whichever is less.~~ In the case of earnings for a pay period other than a week, the earnings shall be computed upon a multiple of the federal minimum hourly wage equivalent to thirty (30) times the federal minimum hourly wage as prescribed in this section.

(3) The maximum part of the aggregate disposable earnings of an individual for any workweek which is subject to garnishment or support withholding to enforce any order for the support of any person shall not exceed:

(a) where such individual is supporting ~~his~~ **the individual's** spouse or dependent child (other than a spouse or child with respect to whose support such order is used), fifty percent (50%) of such individual's disposable earnings for that week; and

(b) where such individual is not supporting such a spouse or dependent child described in subdivision (a), sixty percent (60%) of such individual's disposable earnings for that week;

except that, with respect to the disposable earnings of any individual for any workweek, the fifty percent (50%) specified in subdivision (a) shall be deemed to be fifty-five percent (55%) and the sixty percent (60%) specified in subdivision (b) shall be deemed to be sixty-five percent (65%), if and to the extent that such earnings are subject to garnishment or support withholding to enforce a support order with respect to a period which is prior to the twelve (12) week period which ends with the beginning of such workweek.

(4) No court may make, execute, or enforce an order or process in violation of this section.

(5) An employer who is required to make deductions from an individual's disposable earnings pursuant to a garnishment order or

series of orders arising out of the same judgment debt (excluding a judgment for payment of child support) may collect, as a fee to compensate the employer for making these deductions, an amount equal to the greater of twelve dollars (\$12) or three percent (3%) of the total amount required to be deducted by the garnishment order or series of orders arising out of the same judgment debt. If the employer chooses to impose a fee, the fee shall be allocated as follows:

- (a) One-half (1/2) of the fee shall be borne by the debtor, and that amount may be deducted by the employer directly from the employee's disposable earnings.
- (b) One-half (1/2) of the fee shall be borne by the creditor, and that amount may be retained by the employer from the amount otherwise due the creditor.

The deductions made under this subsection for a collection fee do not increase the amount of the judgment debt for which the fee is collected for the purpose of calculating or collecting judgment interest. This fee may be collected by an employer only once for each garnishment order or series of orders arising out of the same judgment debt. The employer may collect the entire fee from one (1) or more of the initial deductions from the employee's disposable earnings. Alternatively, the employer may collect the fee ratably over the number of pay periods during which deductions from the employee's disposable earnings are required.

(6) The deduction of the garnishment collection fee under subsection (5)(a) or subsection (7) is not an assignment of wages under IC 22-2-6.

(7) An employer who is required to make a deduction from an individual's disposable earnings in accordance with a judgment for payment of child support may collect a fee of two dollars (\$2) each time the employer is required to make the deduction. The fee may be deducted by the employer from the individual's disposable earnings each time the employer makes the deduction for support. If the employer elects to deduct such a fee, the amount to be deducted for the payment of support must be reduced accordingly if necessary to avoid exceeding the maximum amount permitted to be deducted under subsection (3).

(8) A support withholding order takes priority over a garnishment order irrespective of their dates of entry or activation. If a person is subject to a support withholding order and a garnishment order, the garnishment order shall be honored only to the extent that disposable earnings withheld under the support withholding order do not exceed the maximum amount subject to garnishment as computed under

subsection (2).".
